

Mini Photo Frames

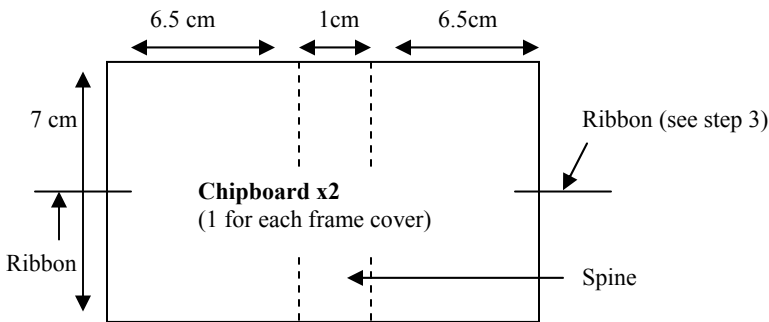

Materials:

- 2x different styles of Patterned Paper
- Cardstock
- Chipboard
- Ribbon
- Lace
- Beads
- Beading Wire

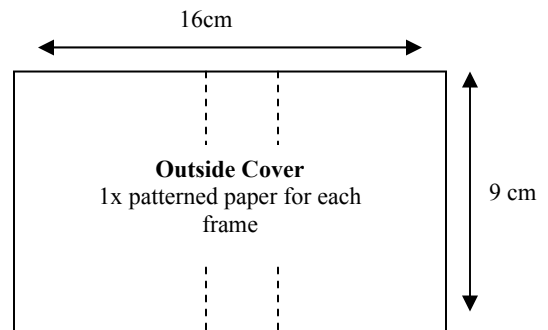

A: Cover for the mini frames-

Step 1:

Cut out chipboard,
Fold and score on dotted lines

Step 2:

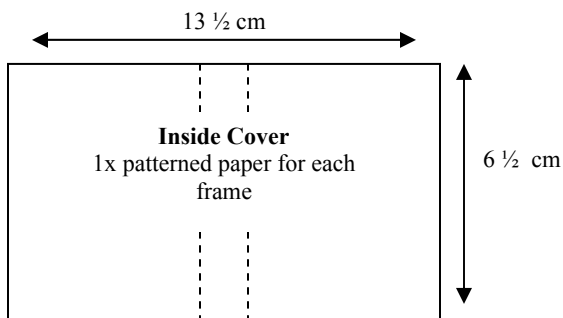

Cut out outside cover of patterned
paper and adhere to out side of chipboard

Step 3:

Cut about 15cm (“) of cream ribbon (x 4 – two for each frame), adhere it to the inside cover of the chipboard. (This is what ties the frames together).

Step 4:

Cut out the patterned paper and adhere to the inside cover of each frame

Step 5: Embellish cover of both frames using lace and patterned paper

Step 6: For the inside of frames cut out $2 \times 6 \frac{1}{2} \times 6 \frac{1}{2}$ cm from the cardstock, cut out centre part of square cardstock (this is where you will see the photo) leaving about a 1cm border. Adhere to inside leaving top open to slide your photo in.

Step 7: Thread beads onto wire and thread wire through center of frames to embellish.
