Mini Purse Instructions:

1. To make the purse draw an 8" (20.4cm) circle from cardstock. Cut and score the lines as shown on the template (there are only 4 cuts). Cut out the circle.
2. Mark where you want to set the eyelets for the ribbon handle then set the eyelets.
3. Fold all sides up and inward then adhere the tabs to the inside. Now you have your basic purse.
4. Cut from patterned paper a 1" (2.5cm) strip from the pink section. Now cut a 3/4" (1.9cm) strip from contrasting patterned paper. Glue the 3/4" strip onto the 1" strip. Glue this completed strip onto the purse (there will be about a 3/4" (1.9cm) gap at the front of the basket).
5. With a craft knife cut around 5 of the poppin' pieces. Glue three to the front of the basket (covering the gap) using foam squares.
6. Cut two lengths of ribbon each 8 1/2" (21 1/2cm). With one length thread it through one of the eyelets on the front of the purse and tie a knot. Thread the other side of ribbon through the other eyelet on the front and tie. Repeat this for the other length of ribbon for the back handle.
7. Cover two mini tags from the patterned paper. Glue a poppin' piece to each tag. Get orange floss and hang both tags from the ribbon handle on the back of the purse. Adhere down with poppin' foam squares.

Basket Instructions:

1. To make the basket draw a 10" (25.4cm) circle. Cut and score the lines as shown on the template (there are only four cuts). Cut out the circle.
2. Mark where you want to set the eyelets for the ribbon handle then set the eyelets.
3. Fold all sides up and inward then adhere the tabs to the inside. Now you have your basic basket.
4. From the patterned paper cut a 12" x 1" (30.3cm x 2.5cm) strip, also cut a 10" x 1" (25.4cm x 2.5cm) from the same patterned. Stick these two strips together.
5. From contrasting patterned paper cut a 12" x 3/4" (30.3cm x 1.9cm) strip, also cut a 10" x 3/4" (25.4cm x 1.9cm) from the same patterned. Stick these two strips together. Glue this

strip onto the strip from step 4 so there is a 1/4" (0.6cm) of patterned on the bottom of strip. Now glue this around the basket roughly 1/4" (0.6cm) from the bottom (a bit will overlap at the ends).

6. With a craft knife cut out 2 poppin' pieces, use poppin' foam squares to stick them to the centre of one side of the basket. Do the same for the opposite side of basket.
7. Stick two butterflies from the Girlfriends Phrasez to front of basket using foam squares.
8. To the remaining side of basket stick the saying from the Girlfriends Phrasez "Those who bring sunshine..." over the coloured strip, stick dragonfly from the phrasez sheet above the frame.
9. Cut two lengths of ribbon each 12" (30.3cm). With one length thread it through one of the eyelets on the front of the purse and tie a knot. Thread the other side of ribbon through the other eyelet on the front and tie. Repeat this for the other length of ribbon for the back handle.
